**PHOTOGRAPHER AGREEMENT**

The Studio of \_\_\_\_\_, located at \_\_\_\_\_  
has been retained by the bride and groom to photograph their wedding on \_\_\_\_\_.

We have read and agree to the following rules:

Photographers are invited into the church to record what happens—not to direct anything.  
They are not to distract nor interfere with the wedding Mass or ceremony.

Photographs may be taken in the center aisle only during the entrance, exchange of vows and during the departure.

During the exchange of vows photographs may be taken between 8 - 12 aisles from the altar in order not to block the view of the guests.

At all other times, the photographer must remain on the tabernacle side aisle of the church.  
This will provide a clear view of the bridal party.

There will be no standing in the sanctuary nor placing of equipment in front of the tabernacle.

External lights are not permitted. Cameras with built in flashes are acceptable.

**No** drones permitted in the Church.
